

Hilarious Breaks Laurel Track Mark

Runs Mile in 1:40 Flat in a Gallop—Attendance
Largest of the Meet—Brown, Makes a Hit.

By GEORGE B. MORRIS.

Laurel, Md., Oct. 13.—With a record-breaking crowd of 11,500 persons in attendance, a card that was very attractive and finishes in several cases being so close that the public could not separate them, marked the most successful day of sport that the Laurel Racing Association has yet presented.

The feature race, of one mile, was won by Hilarious, who showed an excellent performance for his first appearance, winning in an ordinary gallop in the fast time of 1:40, a track record for Laurel. From now on it will take the best horses in Maryland to beat this fast colt of James H. Keene. Martin W. Littleton ran a creditable race, but was far outclassed by the winner.

The consistent Oakhurst won his third consecutive race, leading from the start to the finish. He was as good as 5 to 1.

The old campaigner, King Avondale, winner of the fifth race, showed his heels to a fast band of players, winning without much effort. The surprise of the day came in the last race, when the Hunky Lad beat Joe Kenyon a nose on the post, Kenyon was the best and should have won. Off to no good, he was compelled to run around his field. He made up at least ten lengths, and would have won in another jump.

Hunky Lad, the winner, ran a consistent race. He was off to a good break and had clear sailing all the way. He just lasted long enough to win.

Souvenirs for the Ladies.

Beautiful souvenirs were given the ladies in attendance. The souvenirs were beautiful silk squares with the entries, weights, and owners printed on them, and they reflect much credit on Secretary Brown for his aggressiveness and up-to-date methods.

One thing certain is that the "bookies" are liberal in their odds. In the second race El Lari, one of the favorites, was quoted at 5 to 1. From this manner in which the lines formed after each event it was clearly visible that the public had much the better of the day.

The fast time of 1:40, made in the fourth race by Hilarious, shows the excellent condition of the track.

With each day's racing the attendance grows, and with every day of racing the track has sprung into the most popular in this section of the country.

"Curly" Brown, secretary of the association, has used every method known to make this track a success, and there is every reason to believe that he has succeeded well.

The card to-morrow presents a very attractive one. Six well-balanced races and a novelty feature, a race between a man, an auto, and a horse, will be the attraction.

In the last event of the day, a bad spill occurred, when jockeys Byrne, Gould, and Sweeney were crowded against the fence, thrown from their mounts. They were fortunate to escape with a slight shaking up.

Little Epp, the winner of the first race, was bid up by Thomas H. H. from \$10 to \$200, and was taken from Samuel Ross. Ross retailed by claiming Mad River. A fast improvement is noticeable in the starting of each event.

Starter Murray is now getting his ducks away in nice order. The attendance to-day was so large that many were compelled to stand, there being not enough available space in the grand stands to accommodate the crowd.

The management announced that it would give another ladies day next week. All in all, the last day's sport of many months was had by those who were in attendance to-day.
